of

Coterminous Parishes

List of coterminous parishes in Scotland

This list of coterminous (or adjacent) parishes may be helpful when the situation of a village is in doubt, for example, where there have been boundary changes or where a family has moved only a short distance but this has resulted in a change of parish.

The list is not exhaustive. If you know of any useful additions please contact one of the Family History Officers.

A

Abbey and Paisley
Abbotshall, Dysart, Kirkcaldy and Kinghorn
Abdie and Newburgh (Fife)
Aberdeen and Old Machar
